

Utah voters like GOP in House, Senate

Associated Press - June 5, 2008 12:15 PM ET

SALT LAKE CITY (AP) - A new poll finds nearly a third of Utah voters say they'll support Republican candidates running for the Legislature.

An identical number say they'll "probably" vote Republican.

The poll of 604 registered voters was done for the Deseret News and KSL-TV. It has an error margin of 4 percentage points.

About 25% say they'll definitely or probably vote for Democratic candidates running for the Utah House or Senate.

Kirk Jowers, a political scientist at the University of Utah, says he's a bit surprised by the Republican strength. He figured it might erode a bit with voter discontent.
